EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Please cancel the non-elected claims 1-8 and 17-18.

2. The following is an examiner's statement of reasons for allowance: the prior art fails to teach, disclose, or suggest, either alone or in combination, a semiconductor device comprising:

a first substrate including:

- first connection terminals having a first spacing therebetween, and electrically connected to terminals of an integrated circuit chip;
- a first connection portion spaced from the first connection terminals at a second spacing greater than the first spacing and not electrically connected to any terminal of the integrated circuit chip; and

a second substrate stacked on the first substrate and including:

- second connection terminals having the first spacing therebetween;
- a second connection portion spaced from the second connection terminals at the second spacing;

as instantly claimed, and in combination with the additional limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
